

# Synchrowave Software Comparison

[selinc.com/products/comparisons/synchrowave-software](https://selinc.com/products/comparisons/synchrowave-software)

■ Standard feature

Feature	Synchrowave Monitoring— Trending and Archiving Application Package	Synchrowave Monitoring— Power Monitoring Application Package	Synchrowave Operations— WASA Application Package
Continuous Waveform Stream Recording	■	■	■
CSV and COMTRADE Data Export	■	■	■
Dashboard Visualization	■	■	■
Dashboard Panels (Device Event, Digital Chart, Numeric, Phasor Scope, and Time-Series Trend)	■	■	■
IEEE C37.118 Reader	■	■	■
Real-Time and Historic Trending and Archiving	■	■	■
Role-Based Access Control	■	■	■
Sequence, Power, and Custom Calculations	■	■	■
Virtual Metering	■	■	■
Event Report Integration and Web Client Oscillography Analysis (Event Express)	■	■	■
Advanced Dashboard Panels (Bar Chart, Dial, Histogram, Table, and XY Chart)		■	■
Notifications and Alarming		■	■
Frequency, Voltage, Power, and Custom Threshold Event Detection		■	■
Instrument Transformer Monitor		■	■
Disturbance Detector		■	■
Oscillation Monitor		■	■
Power System Model		■	■
Geospatial Display			■
One-Line Diagram Panel			■
Failover and Redundancy			■
Generation Trip Locator			■
IEEE P2664 STTP Reader			■
Linear State Estimator			■
Modal Analysis			■
OSI PI Reader			■
Phase Angle Monitor			■
Operating System	Microsoft Windows	Microsoft Windows	Microsoft Windows or Linux
Web Browser Support	Google Chrome and Microsoft Edge	Google Chrome and Microsoft Edge	Google Chrome and Microsoft Edge
